Chester Road Swing Bridge and Lorry/Car emissions. (CRM819774)

07/02/18 forwarded Kristin's email to Environmental Services and requested that they measure the air pollution on the site. Kristin advised.

08/02/18 Richard Moore responded as follows:-

Drear Kristin

I have been passed on your query from Ray Hallam at Walton Parish Council regarding the issues with the lorries stopping when the swing bridge opens.

Can you provide me with your address so I can look into this further?

We do carry out air quality monitoring in the area but I just need to see whereabouts you live compared to where we carry it out.

Before making a detailed response I also need to speak to my colleagues in the transport team.

Kind regards

Richard Moore
