*Hi Bob*

*Is your camera from Australia?!*

*Had a look at these and so long as the planters are more than 60cm back from the edge of the road and don't obscure any signage (thinking of growth height) then there should be no problems progressing with these sir.*

*If you have any problems please do not hesitate and I'll always assist.*

*Again apologies for the delay in getting back to you.*

*Kind Regards*

*Jamie Fisher*
