23/02/20 All contractors have been advised of the outcome.

Hobb Lane Road Surface

23/02/20 The Email from Clerk of Moore PC was originally sent to WBC Highways Maintenance with Walton PC copied in.

Walton Towpath

23/02/20 Emailed Peter Parkinson and received the following response 27/02/20.

Hi Ray

We are in the process of applying for funding, together with Warrington, for a c.1 mile section near Walton Gardens. Both Bridgewater Canal and Warrington will be contributing toward the works if the application is successful.

We recently met with Warrington and walked the towpath, in the vicinity of Walton Gardens, in order to agree on the best section to upgrade.

I suggest we meet up to discuss if you are available?

Regards

Peter

Air Monitors

Emails still to be drafted and sent to Stockton Heath PC and WBC.

Signage still being looked into.

Risk Management Review

Meeting between Clerk and AAG still to be arranged.

Ray Hallam – Clerk to the Council
