### Highway Related Issues

See 'Issues Raised with WBC Report – Updated 01/10/21.

### Remote/Zoom Meetings.

27/09/21 Forwarded an email prepared by Councillor Hardie and received the following reply on 27/09/21.

*Ray,*

*Thanks for the email. I'm afraid that I can't advise the Parish Council on this particular issue, that would be for CHALC. However, I can tell you our legal view at WBC.*

*It concurs with your view. We cannot hold remote formal Committee meetings as the legislation to do so has been removed. If a remote meeting takes place now my view is that the decisions made at the meeting are subject to challenge, most likely to be considered unlawful and cannot be relied upon. I hope that is helpful.*

*Kind regards,*

*Matt*

### Creamfields Donation.

Cream have confirmed that we will be receiving a donation, which will be paid directly into our Bank Account.

### Bank Account Signature Updates

Still not heard from Bank following email to them explaining our non charitable status.

21/06/21 Spoke to Angela Lewis at FIT. Essentially it is the land that has the Charitable status but it may mean that we have to go down a legal route i.e. via solicitors if this Deed of Dedication has to be unravelled.

24/06/21 Spoke to Tam at Nat West as I had not had a reply to my email of 02/06/21 and member of the Mandate team will respond to my email or make contact by phone.

### Trees Village Triangle

25/07/21 Sent tree report and background info to Mark Jervis for him to take up with David Boyer.

Unfortunately missed his monthly meeting with DB but MJ will email DB to see whether WBC will undertake maintenance work on trees.

### Power Supply Junction Hill Cliffe Road and Whitefield Road.

23/06/21 Spoke to Stuart Grundy at WBC and he is to visit site and report back.

13/08/21 Sent further email requesting pricing on electricity supply.
